"Celia is a Bright Light with strong Songwriting skills and a voice to Die For" Shawna Carol, Goddess Chant.

I'll Tell Me Ma (trad): I loved this song growing up. It is so catchy and upbeat. It still makes me smile.

Little Broken Wing (Celia): When I found out that Tommy had passed I was reviewing his affect on my life and I remembered an experience I had had outside of his pub in NYC. I really did name the bird Tommy. And it really did break my heart to let him go.

I always wanted to tell Tommy Makem this story. I wrote this song specifically for this album and in Tribute to the great effect Tommy had on so many of us...even the winged creatures.

Carrickfergus (Trad): What an incredible song. Many of my fans have suggested that I record "The Water is Wide." This is very similar but I feel it more readily taps into the old weary traveler and truly speaks to my Gypsy Spirit.

What people are saying:

"I received my copy of "The Bard" this week and have been listening non-stop ever since! Beautiful! Wonderful! A triumph! I love it! It makes me cry!" Robin, A Fan

"Gorgeous, moving rendition of much-loved Tommy Makem songs. A couple of the songs were recorded in an empty farm silo in Wisconsin. What a beautiful quality that added to the sound and the feeling of those songs!" Lisa Zinzow, a Fan and CS Member

"This music is by far the most beautiful I have ever heard....it joyfully breaks my Irish heart." Spacemonkey, A Fan and CS Member

Let’s Intentionally Be a Leader for: A New Earth

Building on the astonishing success of *The Power of Now*, Eckhart Tolle presents readers with an honest look at the current state of humanity: He implores us to see and accept that this state, which is based on an erroneous identification with the egoic mind, is one of dangerous insanity.

Tolle tells us there is good news, however. There is an alternative to this potentially dire situation. Humanity now, perhaps more than in any previous time, has an opportunity to create a new, saner, more loving world. This will involve a radical inner leap from the current egoic consciousness to an entirely new one.

In illuminating the nature of this shift in consciousness, Tolle describes in detail how our current ego-based state of consciousness operates. Then gently, and in very practical terms, he leads us into this new consciousness. We will come to experience who we truly are—which is something infinitely greater than anything we currently think we are—and learn to live and breathe freely.
